MEMORANDUM FOR: Deputy Director for Administration

FROM: Bruce T. Johnson
Director of Data Processing

SUBJECT: ODP Report for Week Ending 10 September 1980

ODP Conference Successful

STATINTL ODP's Fourth Office-wide Conference was held 3-5 September
STATINTL [redacted] and was very successful in highlighting present and future
efforts and trends in the data processing field. As usual, the
[redacted] Staff proved to be an excellent host and ODP is most
appreciative of the hospitality received. (C/AS)

SAFE

STATINTL The Consolidated SAFE Project (CSP0) approved [redacted]
STATINTL selection of the [redacted] as the supplier of SAFE
ADP equipment. The approval, on 29 August 1980, followed CSP0
briefings of CIA and DIA managers on [redacted] selection process and
the rationale for the final recommendation. [redacted] began final con-
STATINTL tract negotiations with [redacted] on 3 September and accepted the
[redacted] bid on 9 September.

STATINTL [redacted] presented the SAFE Semiannual Review to the DCI
STATINTL and the Director, DIA on 4 September 1980. The presentation was
favorably received. [redacted]

Computer Center Badge Readers Activated

Effective Monday, 15 September, badge readers will be acti-
vated in the Ruffing and Special Computer Centers. Personnel
authorized access (who have the applicable badge indicator B or
E) are required to insert their badge in the reader to gain
access beyond the customer service area. Personnel without the
appropriate indicator must follow standard procedures for
requesting access, and display the Temporary or Escort Required
Badges provided by ODP personnel. [redacted]
